Central Intelligence

Dear Mr. McMahon:

The preparations for the Intelligence and Electronic Warfare System Program Review 1982 (IEWSPR-82) are well underway. As a part of that effort, I welcome your participation. The decisions made during IEWSPR-82 and follow-up actions, will be of utmost importance to the Army intelligence structure and to the Army as a whole.

During the SPR we will be addressing tough issues. To better prepare you for those discussions, I am enclosing a brief read ahead synopsis of the issues to be presented by the three panels. On your arrival you will be given a Fact Book which expands on this.

I look forward to seeing you at the IEWSPR-82.

Sincerely,

SIDNEY T. WEINSTEIN  
Brigadier General, USA
